VOLUME 11 - NUMBER 27

FEBRUARY 5, 1958

## BOWLING BITS

**Monday:** The layoff, during which automatic pinsetters were installed in Maggio's, must have had a telling effect as no one reached the charmed 200 circle tonight.

A few teams did manage to roll high enough to win some games. The Metal Men rolled over the Glass House Gang 4 to 0 tying them for the league lead. The Fire Dept. overcame an 80 pin deficit in the first game to come back and take the next two plus total pins. In the other match the Operators won over the Reefers 3 to 1. T.H.

**Wednesday:** The three top teams, Phoubars, Designers and Fire Dept. all maintained their positions by winning 3 out of 4 points. Games over 200 included Takat's 204, Bugala's 212 and O'Laughlin's 201. The 3 man Fiscal crew split their match with the ADD Techs. Dave Thomas had high game with 191. R. Taylor's 538 series helped Purchasing eke out one point from the Fire Dept.

**Thursday League No. 1:** The second place Latticites aided by Al Pinellis 212 game, 559 series, took 3 points from the Mixers, losing the second game by one pin. L. Lento, 207 game, 567 series and "Anchor" Cardamones, 200 game, 558 series were the "Hustlers" for the Mixers. The Technicians paced by Hildenbrands fine 232 effort, 555 series took 4 points from the Metalliks. Galen starred for the losers with a 213 game, 560 series. The T-Totals "1st Team" (Tomesch was benched), lost 3 points to the Fiscal No. 2 team. R. Dvorak was high man for the losers 202 game, 552 series. S&M took 4 points from the Biology team. High man for the losers was L. Schairer, 197 game. G.T.

**Thursday League No. 2:** Captain Malloy's 210 game sparked the (little-men) Loopers to a 4 point sweep from the weary Toolmakers. Bill Sylvester anchored the Hot Lab team with a 232 game and 588 series to swamp Milian's Wood Butchers. H. Shipley's 179 effort enabled the Joy Riders to avoid being shut out as they took one point from the up-coming Nuclides. W.W.

## TIME'S AWASTIN'

Hope you're not hesitatin' to make that costume for the Valentine's Day Dance on February 14. It will take place in the Recreation Hall in the apartment area, starting 8:30 p.m. All the beer or soda you can drink included in the admission price of only \$1.00. Ask your favorite Valentine today, and get your costume ready.

## THE THIRD ANNUAL SCOUTER'S LUNCHEON

The Third Annual Scouter's Luncheon at BNL will be held in the Research Staff Lounge on Wednesday, February 12, from 12 noon to about 1 p.m.

The guest speaker will be Joseph W. Cermak, County Coordinator of Suffolk County. Mr. Cermak has been Supervisor of Huntington Township, and has a strong scouting background, having been Scoutmaster for many years. He was in charge of Suffolk County Council's delegation to the first National Jamboree in Washington in 1939, and is a member of the Council's Advisory Board. Charley Yax (AEC) will serve as Toastmaster.

Everyone with an interest in Scouting is cordially invited to attend; Active Scouters; parents of Cubs; Scouts, or Explorers; or anybody with a friendly feeling toward the Scout Movement. The ladies' patronage is especially welcome.

We promise you a good lunch, a good speaker, and good fellowship. All that's needed is you. Tickets, at \$1.50, may be obtained from any of the representatives listed below. It will help the Committee break even on this non-profit affair if tickets are purchased by Friday, February 7.

P.S. To repeat a promise that has been kept in the past, no one will be solicited for time or money.

Reactor . . . . . Bob Fuchs  
T-134 . . . . . Ken Rose  
Physics . . . . . Pat Towey  
Chemistry . . . . . Ollie Schaeffer

Volatility Project . . . . . Roy Jefferson  
Personnel . . . . . George Sabine

## DEAN OLSEN'S TALK POSTPONED UNTIL FEBRUARY 10

Dean Leonard K. Olsen will speak on the N.Y.S. University College on Monday, February 10 at 12:15 p.m. in the gymnasium. The Federation of American Scientists cordially invites all interested persons to attend. All F.A.S. members are especially urged to attend since there will be elections for members of the 1958 Executive Committee.

If you wish to have coffee and sandwiches provided call Marianne Kugler, Ext. 424. Please try to arrive a few minutes early if you are among those requesting sandwiches. Extra coffee will be available for those who plan to bring their own lunch. Remember the new date: **Monday, February 10.**

## METAL MEN HALF-TIME CHAMPS

No team in the League was able to stop Metallurgy as they triumphed over six straight opponents to capture the League's first half honors. This automatically earns them a play-off berth at the season's end. Latest casualty on their sick list was Biology which went down 49 to 28. Bio trailed all the way, unable to penetrate the MM zone defense. Carl Klamut's 13 points from the floor and W. Lanyi's 14 under the boards supplied the necessary impetus for the win.

In a well played second game, Nuc. Eng. took a close verdict from an improved Health Physics team 42-34. Bill Johnson regained some of his old form as he clicked for 13 points, scoring 6 set shots. Tom Prach and L. Kukacka teamed up under the hoop to tally 22. All but 10 points were accounted for by Red Carsten who scored 24 for the losers.

## Games this Tuesday - Gymnasium

7:00 p.m. Biology\* vs. Health Physics  
8:15 p.m. Metallurgy\* vs. Phoubars

\*Ed. choice.

## LADY KEGLERS COLUMN

Medical decreased the Odds and Ends first place lead last night by 1 game, giving the Odds and Ends only a two game lead. The Handicappers were well clobbered by the Allthumbs who took three from them with the help of Terry Bianco's 146 and Elaine Daniels' 154. Dot Carpino of the Chemistry team rolled a 483 series and high game for the night was Chris Podlaski's 178. Health Physics has moved into third place, breathing right down the neck of Medical (ahead of them by 1 game). Looks like this is going to be an interesting race for top honors.

GRACE SIEMEN

## THEATRE GROUP

An informal reading will be held Tuesday, February 11, at the home of Ed Rogers near Shoreham. Everyone is welcome.

**Program:** "Career", by James Lee. This is a drama about an actor, which had a long and successful run during the last off-Broadway season.

**Time:** 8:15 p.m.

**How to get there:** Coming from BNL, leave by north gate. Bear west on Rte. 25 for 0.5 mi. Turn right (north) into Randall Road at Mobilgas station. Keep **left** at T, right at fork. Cross Rte. 25A (reached after 4.2 mi.) and keep going till next corner (North Country Rd.) Turn right and keep going till Harvard Rd. (0.8 mi.). Turn left and find **the** gray house on left (ca. ¼ mi.).

**What to do if lost:** Find a phone and call SHoreham 4-9635.

## MICROMET

Discounts on Micromet and Micromet Feeders are available through group buying to BNL employees. Order, accompanied with payment, will be taken at the Recreation Office, Building 461.
